

Bluefin Spawning Locations at Risk of Illegal Fishing

Illegal fishing of Bluefin Tuna has become a concern since 2011 when the species joined the endangered list. This map shows the Illegal, Unreported, and Unregulated fishing, or IUU, score of countries surrounding Bluefin spawning areas. The IUU score ranks from 1-5 with 2 being average.

IUU Score

Land Locked	1-2
0-1	2-3
3-4	4-5

4-5
Bluefin Spawning Area
